

What *is* Pre-Leg?

Pre-Leg is an event where kids from their schools' *Youth & Government* clubs.

Members gather to present their bills, report for media, and present speeches in a form of *mock government*. It was hosted at *Central Dauphin Highschool* on Feb. 4th. It was reportedly a fruitful experience for everyone. In a wonderful yet unexpected twist, the club's size has *TRIPLED* since "Covid years."

What's Next?

Well, in about *10 weeks* , an even bigger event is being held. This will be held at the Capitol in Harrisburg. Delegates will be able to get their bills either passed or rejected/vetoed. Stay tuned!
